

## 2016 University Choice Neighborhood Scholarship Program

### Program Description & Guidelines

The University Choice Neighborhood Scholarship (UCNS) Program is an initiative of the \$30m University Choice Neighborhood Grant which is being administered by the Atlanta Housing Authority and the City of Atlanta. This one time scholarship award is for 1.) graduating seniors at Washington High School; 2.) residents of the former University Homes or residents within the University Choice Neighborhood that will be entering a two or four year college or university as a freshman this fall. The UCN includes Ashview Heights, Vine City, and the Atlanta University Center Neighborhood. AHA strongly encourages lifelong learning as an integral component of its vision of building vibrant communities and encouraging individual self-sufficiency.

The purpose of UCNS is to provide scholarships to eligible University Choice Neighborhood individuals in support of their post-secondary education options. Scholarships will be awarded without regard to race, religion, sex, color, national origin, disability or familial status. All candidates for the scholarship must complete the attached application and meet established eligibility criteria. This year we will award up to 20 scholarships with a minimum amount of \$1,000 each.
